

Hi! You don't know me, but I just paid for your order.

There's no catch - It's just something I felt like doing. I got this idea from the radio station, **UCB Canada**. It's at **102.3** on the dial. They call it "Pay it forward - Drive Thru Difference." Maybe you'll feel like doing it for someone too! Get all the details at **ucbcanada.com** (or just reuse this letter!).

I know they love to hear "Pay it forward - Drive Thru Difference" stories, so leave a message on their story line at **1-888-407-4094** or visit **ucbcanada.com**.

Sincerely,

The stranger in the car ahead of you

**P.S. I hope this blesses your day!**
